New Class: Professional Development for the Actor	\$285	Ages 13-18	Tue, 7-8:30 pm	9/14-12/14
--	-------	------------	----------------	------------

This class teaches students a technique of acting normally taught in college and professional studios in New York and Los Angeles, preparing the teen student for advanced study. While students need not have previous acting experience, they must have a passion for acting and a desire to work hard. Students who have taken this curriculum in the past have found great success auditioning and performing in local productions. Admission is by teacher interview only.
